Re: *Notice of Ex parte* presentation in WT Docket No. 06-150
PS Docket No. 06-229

Dear Ms. Dortch:

On April 13, 2007, Harold Feld of Media Access Project spoke with Catherine Bohigian, Director, Office of Strategic Plans and Policies, with regard to the above captioned proceedings. Mr. Feld asked that the Commission use its discretion to shorten the Sunshine Period for the April 25 meeting, so that parties could continue to make *ex parte* presentations on the above captioned proceedings until Tuesday, April 24. The Commission took similar action in 2003, when it shortened the Sunshine Period for the *2002 Biennial Ownership Review* prior to the June 2, 2003 Public Meeting.

It would serve the public interest to take such action here because: (a) the 700 MHz auction is of extreme importance to the public; (b) it presents difficult and complex issues, many of which were raised recently; and (c) many Commissioners and advisors will be away this week at the NAB conference in Las Vegas, making it difficult to schedule meetings before Sunshine would otherwise cut off discussion.

Mr. Feld discussed this with Bruce Gottlieb of Commissioner Copps' office, and Angela Giancarlo of Commissioner McDowell's office, on April 16, 2007.

In accordance with Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206, this letter is being filed with your office.

Respectfully Submitted,

Harold Feld
Senior Vice President
